

NEUROTRAUMA 2019

*Bridging Gaps in Understanding the Neurobiology
and Neurotechnology of Function after Neurotrauma*

**JUNE 29 - JULY 3
PITTSBURGH, PA**

**CALL FOR
ABSTRACTS**

**SUBMISSION
DEADLINE:
APRIL 1, 2019**

You are cordially invited to attend Neurotrauma 2019, the 37th Annual National Neurotrauma Symposium, including the AANS/CNS Joint Section on Neurotrauma & Critical Care. Join your colleagues and initiate new collaborations at the premier forum for information related to traumatic brain injury and spinal cord injury in the exciting “City of Bridges”, Pittsburgh, PA.

Program highlights include:

- Blood-Based Biomarker Pre-conference (*June 29-30*)
- AANS/CNS Program Sessions (*July 30*)
- Clinical Breakfast Lectures
- Keynote Speaker Series: “*What Does Function Mean to Me?*”
- Roundtable Stakeholder Sessions on Precision Medicine Research Addressing Function Among Neurotrauma Survivors & Addressing Research Advocacy
- “Data Blitz” rapid-fire oral presentations
- Poster Sessions & Trainee Poster Competition
- Training, Education and Mentoring (TEAM) daily programming
- Dinner at the Heinz History Museum with special presentations about Pittsburgh contributions to the neurotrauma community
- “A Celebration of Function” interactive closing event

A wide variety of Exhibit & Sponsorship Opportunities are available!
